RAILWAY SALOONS.

Mysore possessed three Railway saloons in the Mysore Railways prior to integration, one for the specific use of His Highness the Maharaja, another for the use of the Hon'ble Chief Minister and other Ministers and the third for the Railway Officers. Although the Mysore State Railways have been integrated with the general Railway System of the Government of India, at least the first two of the Railway Saldons which are required for use in connection with their official work by His Highness the Rajpramukh and the Chief Minister and the Ministers of the State, have to be continued to be retained in possession of Mysore Government, though their keeping might be entrusted to the Railway Administration.

This matter has to be promptly pursued further in discussions with the Railway Board and other authorities.

A draft D.O. letter to the Hon'ble Shri K.Santhanam, Minister of State for Railways, in the matter is appended.

P.S. Each subject may be please pursued through the concerned Branches and Departments.

Grant of land and facilities for machine tool factory construction in Jalahalli.

.....

The Special Officer, Machine Tool Project, of the Government of India, represented that the Government of India had now sanctioned the scheme and provided substantial funds both in the current and next year's budget for the construction of buildings and installation of equipment on urgent basis. The concerned heads of Departments may be instructed to provide all facilities covered by rules for this project and the Commissioner on Special Duty may be kept informed of the progress of action from time to time.

Regarding the land required for the project, the Industries and Commerce Ministry clarified that the proposed Corporation for the Project, when formed, would still be preponderantly Government, and as the project was located in Mysore State upon the specific offer by Mysore Government of free land, they would request that demand for land value be not pressed. The matter may be considered again.

Letter dated the 12th February 1951 since received from the Special Officer is also appended.

DIFFICULTIES OF THE MYSORE MATCH CO.

The Secretary, Industries and Commerce Ministry, promised to afford necessary assistance regarding the import of potassium chlorate and to obtain paper supply for the production of matches, from Calcutta.

An application for import license of the required quanity of Potassium Chlorate may be sent to the Secretary, Ministry of Industries and Commerce with a D.O.letter for arranging early issue.

An indent for the paper supply required from Titighur Paper Mills, Calcutta, may be sent to the Secretary, Industries and Commerce Ministry, for arranging supplies.

As regards the question of rebate of excise duty in respect of matches, the Secretary, Industries and Commerce Ministry, intimated that a similar request made by other Match manufacturers in Madras State had been turned down by the Central Board of Revenue and that the sanction in respect of Mysore Match Co, was therefore doubtful. However, if an application is sent up to him by the Company, it would be xx sent up to the Central Board of Revenue for favourable consideration. A suitable application may accordingly be sent up.

It may be expedient to consider the grant of some facilities for supply of timber from Mysore forests to MMCO. The question has to be re-examined.
